10 years of celebrating the very best people working in social care

The tenth annual Surrey Care Awards ceremony recognised the achievements of those individuals, care teams and providers who do so much to make us proud to be working in social care in Surrey.

The High Sheriff of Surrey Mr Jim Glover was our guest of honour and helped present some of our Awards

Our Awards put social care work in the spotlight and generate a vast amount of positive publicity for the sector. By showcasing the extraordinary contribution care workers make to our local community, we hope others will be inspired to come forward and consider a career in social care.

We also used our 10th Anniversary to celebrate those providers in the county who are currently rated Outstanding by CQC. In 2019 we will be holding a special lunch for Surrey's 23 outstanding providers which will be sponsored by Barclays Bank. We were delighted to have five of those Outstanding organisations represented at our Awards.

Legendary DJ and Broadcaster 'Diddy' David Hamilton took many of us on a trip down memory lane with stories from his 60 years in broadcasting

David and Erica kicked off the 10th Anniversary Awards event

Our compere was BBC Surrey's Sylvie Blackmore – looking even more radiant as she had just accepted a proposal of marriage! Congratulations to you both, Sylvie and Simon!

"Our staff were blown away by the event and all came away knowing that their work is hugely appreciated by all those in the room… you can indeed count on our support again next year."

Martin Barrett, Nellsar Ltd

"It was a real and genuine pleasure to attend the Surrey Care Awards 2018 and I am so grateful to you and your brilliant team for putting on such a fantastic event. The Nurseline family had the most wonderful evening!"

Rebecca Eames, Nurseline Healthcare

"We were of course very happy to have one of the category winners – it lifts everybody's spirits, and we hope has a continued positive contribution within our staff morale." Ryan Kelley, Whitmore Vale

"First congratulations to Erica, Charlotte and I am sure a host of other people who made the Awards such a fantastic event, Phil and I both thought it was extremely well organised and extremely professional. In fact, much better than most we have attended, including banks and other larger organisations."

Celebrating 10 Years

We'd like to thank everyone who nominated staff and of course our generous Sponsors who make the Surrey Care Awards possible

BBC SURREY

104 FM | 104.6 FM | bbc.co.uk/surrey

Once again BBC Surrey did a fantastic job in helping us raise the profile of social care in the run up to the Awards. Presenters Mike Buxton and Clare Cowan chatted to finalists Shona Bradbury from Appleby House; Cosmin Lemnaru from Cedar Court; Karem Birdi at County Care and Jack Pegado from Lakeview Care Home on the Drive at 5 show in the week of the Awards.

We heard some great stories about the wonderful work all our finalists do on a daily basis.

A big thank you to all those who took part.
