

Recognising the outstanding dedication of individuals and teams working in adult social care

A celebration of the Surrey Care Awards

Duchess's Stand, Epsom Downs Racecourse - 20th November 2015

A night to remember as Surrey's care staff take centre stage

Oaks Hall was our stunning new Awards venue

Nicholas shows Sylvie how

to dance Strictly style!

Our seventh annual Awards ceremony was bigger than ever with over 420 people taking part. S ocial care staff are so often unsung heroes and we want to change that by highlighting and rewarding their achievements. We want to shout about the really excellent care that goes on in Surrey day in day out, all our finalists deserve recognition for the work they do.

We'd like to thank everyone who nominated staff and of course our generous Sponsors who make the awards possible.

€ I have to say this was without doubt the best awards that I have attended in every aspect of the event. I know there is an awful lot of work that has to go on behind the

scenes when putting together such events and would be grateful if you could pass on my thanks to everyone concerned. You're all amazing! 99 Monica Prosser and the team at Carebase

...Providers large or small, and even those in competition with each other for the awards, were supportive of each other and cheering everyone on (although perhaps sometimes through a fallen smile!). The whole evening was a feel-good event and a much needed boost in these challenging days of social care.
