Dear Service Provider,

Subject: April 2019 Fee Increase

I am writing to service providers to inform you that we are now in a position to confirm the increase in fees for the new financial year. Thus effective from 1 April 2019, fees will increase by 1.8%.

Please be aware that for those services that also claim Registered Nursing Care Contribution (FNCC), this letter does not provide details of that fee increase. Providers will need to claim direct from the relevant Clinical Commissioning Group.

Please ensure that this letter is shared with the relevant people within your organisation.

Thank you for your continued provision of care services to Bracknell Forest Borough Council and we look forward to working with you during the coming year.

Yours faithfully

Julian Martin
