

## **Surrey Care Association Membership: our offer for members**

As a member of SCA you will benefit from a range of opportunities and support, including:

### **Networking and support**

- Being part of our social care community, working in partnership and collaborating with like-minded individuals
- Access to advice and support on social care and workforce recruitment and retention.
- Invitations to attend SCA Network meetings to disseminate best practice and service innovations in Home Care, Learning Disability and Registered Managers forum
- The opportunity to join our WhatsApp groups and targeted mailings for targeted information.

### **Representation and influence**

- Being part of the trusted and influential voice of Surrey Care Association as we represent your needs and experiences to local and central government, health partners, regulators and promote your views through local and national media channels.
- Access to policy and decision makers – and the opportunity to get more directly involved in the shaping of the future of care delivery.
- Individual advocacy (and sign-posting to specialist advice) if you need it

### **Keeping informed**

- Share intelligence about Social Care developments locally and nationally including policy and government updates
- Have access to useful summaries of guidance, legislation and policy developments
- Access to the members-only area on the SCA website

## Business benefits
