SEKOiA

*Buying partner for Surrey Care, providing members with an exceptional service alongside quality products*

### **What do they offer?**

Spectrum is a well-established buying consortium with an emphasis on the Care Sector including care homes, domiciliary care and supported living. They have been sourcing discounts with major suppliers for their members since 2003. Their directors are all care home operators with significant experience in the industry and have therefore developed an expertise in negotiating excellent deals and sourcing the right products.

By pulling together a large number of businesses, including hospitality, dentists and schools they use their group buying power to negotiate discounts for you without compromising on quality. Their suppliers offer a range of products and services including food, uniforms, cleaning, hygiene, medical supplies, general and clinical waste, stationery and recruitment to name a few.

**Get in touch:** To register for this free service Download SPECTRUM's Free membership form (from our website) or contact Spectrum by email [Jackie@spectrumcareltd.co.uk](mailto:Jackie@spectrumcareltd.co.uk)

### **What's included?**

Members have benefited from **HUGE SAVINGS** on pricing that is normally available only to large companies and their **MEMBERSHIP IS FREE OF CHARGE!**

Spectrum is big enough to influence national suppliers and prices, yet able to provide a personalised and friendly service to their members. Their price comparison service can be accessed by their members to highlight savings and they continually add new products and suppliers. All pricing is monitored and approved by Spectrum on a regular basis. When you buy through Spectrum you also help fund SCA as Spectrum passes on an annual rebate to SCA dependent on the volume of sales and now members also receive a rebate.

# SCA Commercial Supporters Plus

Magikos IT is a local and friendly IT company with over 10 years experience supporting the health and social care industry.

We provide a complete IT service from initial advice and guidance, through to design and implementation followed by managed support for the client, all delivered using clear and jargon free communication.

Magikos IT has the experience, skills and resources required to help you manage all of your IT challenges, keeping you connected, secure and compliant with current regulatory requirements.

**Get in touch:** Email [sca@magikos.co.uk](mailto:sca@magikos.co.uk) or visit [magikos.co.uk/socialcare](http://magikos.co.uk/socialcare)

We supply providers with secure devices for front line care staff, so they don't have to use their own personal phone whilst delivering care, which helps to comply with GDPR.

Many of team have worked extensively alongside Social Care Providers for over 15 years and have been involved 1000s of social care digital transformation rollouts.

We work alongside many large national chains of providers, charitable care organisations and of course independent care providers, who are often at the start of the journey in social care.

**Get In touch:** Email [brett@wecarecomms.com](mailto:brett@wecarecomms.com) or visit [wecarecomms.com](http://wecarecomms.com)

Offering a one-stop shop for your building maintenance needs, we are a local organisation with 20 years experience and currently manage over 100,000 sq ft of properties.

Specialists in working in the health and social care sector (including sensitive and vulnerable environments) we offer everything from major/planned refurbishments to reactive repairs; a full decorating service to grounds maintenance. We can also carry out any required compliance services.

Our workforce is DBS checked and has a reputation for being reliable, approachable and trustworthy.
